PROFESSIONAL PROFILE

Recent computer science graduate with a strong foundation in programming, software development, and problem-solving. Eager to apply skills in web development, data analysis, and artificial intelligence.

Passionate about continuous learning and collaborating with diverse teams to create innovative technology solutions.

EDUCATION

Bachelor of Computer Science in The Hashemite University in Jordan

Oct 2020 - Aug 2024

CERTIFICATIONS

- **ASP.NET MVC Core Certification**

I learned how to build scalable web applications with a focus on back-end development, including MVC architecture, RESTful APIs, Entity Framework, and authentication. I also gained experience in front-end integration and deployment.

- **Youth pass Certificate**

It recognizes skills gained through European youth projects, focusing on personal development, communication, teamwork, and intercultural understanding. It documents learning achievements in volunteering, training, and non-formal education, highlighting key competencies useful for personal and professional growth.

WORK EXPERIENCE

- **ASP.NET MVC Core Graduation Training**

Jul 2024 - Sep 2024

I learned how to build modern, scalable web applications using ASP.NET Core. I gained hands-on experience in creating dynamic websites with MVC architecture, implementing RESTful APIs, managing data with Entity Framework, and securing applications. The training also covered front-end integration, routing, authentication, and deployment, enhancing my full-stack development skills.

VOLUNTEERING

- **Sorged (Sorgun Genclik Dernegi)**
